

XL6

LIVE, DREAM, AND THINK BIG WITH THE SUZUKI XL6

If you're embracing life, make it an unforgettable adventure. If you're chasing dreams, let them soar to new heights. When your thoughts take flight, there's no limit to what you can achieve. Introducing the Suzuki XL6 – the epitome of living, dreaming, and THINKING BIG. Whether you're embarking on thrilling adventures, pitching innovative ideas, exploring new avenues, or even tackling unexpected challenges, the XL6 empowers you to do it all in style. Get ready to experience limitless possibilities – it all starts with the XL6.

The image shows the interior of a Suzuki XL6. The central focus is the 7-inch touchscreen infotainment system, which displays a music player interface with a play button, a progress bar, and album art. The screen also shows the time (13:38), date (31 JUL), and fuel economy (7.1). Below the screen are climate control knobs and buttons. To the right is the steering wheel with the Suzuki logo in the center and various control buttons on the spokes. The instrument cluster behind the steering wheel features a tachometer, a speedometer, and a central digital display showing average fuel economy (7.1). The overall interior is dark with silver accents.

WHERE INNOVATION MEETS PASSION

The XL6 captivates with its commanding presence and stylish interior, elevating your driving experience with class-leading features and specifications. From the 7" touchscreen infotainment system equipped with Apple CarPlay and Android Auto to the keyless entry and push button start - everything is meticulously curated to deliver BIG moments.

NEW ERA OF AUTOMOTIVE EXCELLENCE

Step into a new era of automotive excellence with the all-new XL6. This remarkable vehicle not only showcases a harmonious fusion of innovation and elegance but also exudes a stylish SUV appeal that turns heads on the road. Its striking appearance, coupled with impressive functionality, creates a captivating experience that is bound to leave a lasting impression.

ENHANCING FUNCTIONALITY

Discover a realm of enhanced functionality within the XL6. LED lighting, from the illuminating headlamps to the distinctive taillamps, ensures heightened visibility and adds a touch of class to your journeys. As you explore the SUV elements, you'll notice the protective front, rear, and side skid plates, coupled with wheel arch cladding, and the front fender garnish that is a distinctive Suzuki SUV design feature.

ELEVATING APPEARANCE

Elevate your presence on the road with the XL6's distinct appearance matched with its stellar ground clearance of 180mm. The chic front grille sets the scene for a stylish presence. Standard 15" polished alloy wheels not only add a touch of style but also contribute to the vehicle's exceptional performance. The XL6's design isn't just about turning heads; it's about making a bold statement that resonates. Every aspect of the XL6's appearance serves a purpose – enhancing both style and individuality, empowering your journeys with unparalleled distinction.

ELEVATE YOUR COMFORT

In the XL6, comfort reaches new heights with every detail designed to cater to your needs. The luxury of synthetic leather upholstery, an exquisite feature found in the GLX models, gracefully envelops you in a refined embrace. Your hands will delight in the touch of a leather-covered steering wheel, adding an extra layer of class to your driving experience. The GL models offer a comfortable cloth and leather combination upholstery.

Enjoy a realm of comfort with the XL6 and its spacious six-seater configuration. It offers auto climate control and a rear air conditioner, ensuring everyone stays comfortable throughout the ride. The inclusion of cruise control grants you the freedom to conquer the road effortlessly, improving your driving convenience. The XL6's second-row seats boast individual armrests, giving each passenger a first-class journey, while the versatile third-row seats provide ample space for friends and family. Thoughtful features like front ventilated cup holders and 12V accessory sockets in all three rows ensure that the XL6 is meticulously designed to prioritise your comfort.

Front And Second Row Seats

Front Row Seats

Second And Third Row Seats

GO BIG WITH POWER AND EFFICIENCY

The XL6 is engineered to deliver both robust power and impressive fuel efficiency, being powered by a responsive 1.5-litre four-cylinder engine. This powerhouse stands strong with a peak power of 77kW and a maximum torque of 138Nm, ensuring an enjoyable driving experience while maintaining exceptional fuel efficiency. Boasting a remarkable fuel consumption from just 6.0/100km, the XL6 proves itself as a true performer on the road.

5-speed Manual

4-speed Automatic

Your driving preference is catered for with two transmission options available: a 5-speed manual transmission and a 4-speed automatic transmission. Whether you choose the manual or the automatic, the XL6 promises a refined journey, where every moment on the road showcases its exceptional performance.

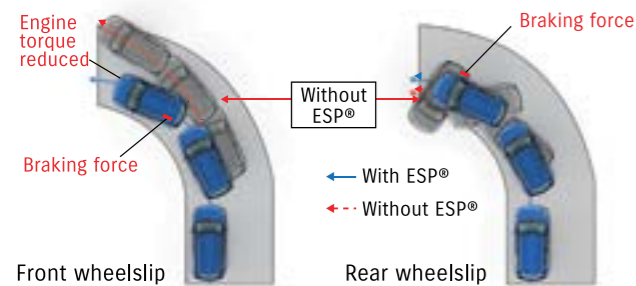

This impressive powertrain is available across both GL and GLX derivatives. What's also exciting is that all automatic transmission models are equipped with hill-hold control as a standard feature, providing an added layer of convenience and safety when navigating challenging terrains.

BIG ON CARE AND SAFETY

Experience uncompromising care and safety with the XL6, built on the Suzuki HEARTECT platform. This innovative lightweight platform enhances driving performance while ensuring that the necessary rigidity and safety standards are met. Its structural design not only contributes to a smooth driving experience but also provides peace of mind throughout every journey.

ABS PRECISION BRAKING

Experience precision in braking with the XL6's Anti-lock Braking System. ABS prevents wheel lock-ups during sudden braking, ensuring you retain control and stability.

DRIVE CONFIDENTLY WITH ESP

Equipped with Electronic Stability Program, the XL6 offers an extra layer of safety to ensure a confident and controlled driving experience. ESP constantly monitors your vehicle's movements and intervenes when necessary, helping you maintain stability during challenging driving conditions or sudden movements.

ISOFIX CHILD SAFETY SIMPLIFIED

For your little ones, the XL6 features ISOFIX child seat anchorages on the second row, ensuring their secure and hassle-free travel, allowing you to journey ahead with confidence.

SAFETY BEYOND LIMITS

The XL6 takes safety to new heights, offering a reverse camera system with reverse parking sensors. Seamlessly integrated, this feature provides a clear view of the area behind you, coupled with real-time alerts from parking sensors. Dual front airbags are also a standard feature across all models, ensuring that you and your passengers are well-protected in any situation.

EBD BALANCED BRAKING

Balance is key to safe braking, and the XL6's Electronic Brakeforce Distribution ensures just that. EBD intelligently distributes braking force across wheels, optimising stability under various load conditions.

CREATE A BIG PERSONALITY

The XL6 presents an array of accessories that empower you to personalise your vehicle to match your preferences. With unparalleled flexibility, you can tailor the XL6 to embody your distinct style and personality. Inhabit the freedom to create a vehicle that's truly yours, as you embark on a journey that reflects your individuality. Embrace the convenience of modern technology as you make the XL6 unmistakably you.

* Bluetooth is a registered trademark of Bluetooth SIG, Inc.

** ESP is a registered trademark of Daimler AG.

The ESP is designed to help keep the Fronx under control. However, its effectiveness depends on driving conditions and the state of the road surface. If the tyres exceed their grip limit and the wheels start to spin or skid, it may not be fully effective.

SUZUKI

COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a comprehensive promotional warranty against any defects for a period of 5 year/200 000km. This is supported by a six-year body corrosion warranty subject to terms and conditions.

Service Plan

The XL6 benefits from a 4 year/60 000km service plan. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals

15 000 km or one year, whichever comes first.

Roadside Assistance

Every new XL6 comes with a five-year roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval.
